FROM : Chief, Economic Research, ORR

SUBJECT: Revision of Contributions to CIA/RR IP-348 (Project No. 0.16)

25X1A

1. An effort is to be made to revise and coordinate further the contributions to CIA/RR IP-348, Availability of Consumer Goods in the Eastern European Satellites.

2. Estimates of 1952 and 1953 physical production in each of the European Satellites for the several commodities contained in the following categories should be brought together and forwarded to D/A through this office:

- a. Agricultural production.
- b. Food industry.
- c. Light and textile industry.
- d. Forest products.
- e. Construction materials.

3. In those instances in which there has been no revision of the estimates filed for NIE-87, a note to this effect may be substituted for an itemized reiteration of this data.

4. D/M and D/S are primary contributors. It would be appreciated if contributions are forwarded to D/A as coordinator no later than 1000 hours, Friday 16 October.
